We have audited the Ind AS Standalone financial statements of **Bombay Wire Ropes Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the statement of Profit and Loss, (including Other Comprehensive Income) and statement of Cash Flows and Statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit(including OCI), (changes in equity) and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty related to Going Concern

We draw attention to Note no. 19 in the Financial Statement, which states that the Company has discontinued its operations and hence company's ability to continue as going concern has cease to exists. Accordingly, fundamental going concern assumption of Going Concern has not been followed while preparation and presentation of Financial Statements.

Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditors' report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have

performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Managements Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material

uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
3. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Bombay Wire Ropes Limited** ("the Company") as of 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Managements Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information & according to the explanations give to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS

NOTE - 1

SIGNIFICANT ACCOUNTING POLICIES

1.1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of Bombay Wire Ropes Ltd are prepared in accordance with the Indian Accounting Standards (Ind AS) under the Financial assumptions which are not applicable for Going concern basis, as the company has discontinued its operations. The Ind AS are prescribed under section 133 of the Companies Act, 2013, read with rule 7 of Companies (Account) Rules 2014, other pronouncements of Institute of Chartered Accountants of India, the provisions of Companies Act, 2013 and guidelines issued by Securities and Exchange Board of India.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Company has prepared these financial statements as per the format prescribed in Schedule III to The Companies Act, 2013.

1.2. USE OF ESTIMATES

The preparation of the financial statements in conformity with the Ind AS requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities as on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

1.3. PROPERTY PLANT AND EQUIPMENTS (PPE)

Property, Plant and Equipments are stated at cost of acquisition (net of Cenvat and GST wherever applicable) or construction less accumulated depreciation and impairment loss, if any. Cost includes any directly attributable cost of bringing each asset to its working condition for intended use.

Assets under installation or under construction as at balance sheet date are shown as Capital Work in Progress together with project expenses.

Ind AS 16 "Property, Plant and Equipment" requires the cost of an item of property, plant and equipment to include the initial estimate of the costs of dismantling/decommissioning and removing the asset and restoring the site on which it is located. Ind AS requires the liability, both initially and subsequently, to be measured at the amount required to settle the present obligation at the end of the reporting period, reflecting a current market-based discount rate.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization / depletion & impairment, if any.

1.4. DEPRECIATION AND AMORTISATION

- a) Depreciation on Fixed Assets is provided on Straight Line method in accordance with the rates as specified in Schedule II to the Companies Act, 2013 (as amended).

- b) Depreciation/Amortization on assets added, sold or discarded during the year has been provided on pro-rata basis.

1.5. FINANCIAL ASSETS:

The Company classifies its financial assets in the following measurement categories:

- (1) Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) Those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

1.6. INVENTORIES

- a) Inventories (other than by-products) are valued at lower of cost and net realizable value after providing for obsolescence, if any. Cost of inventory comprises of purchase price, cost of conversion and other cost that have been incurred in bringing the inventories to their respective present location and condition. Interest costs are not included in value of inventories. The cost of Inventories is computed on weighted average basis.
- b) Assets identified and technically evaluated as obsolete and held for disposal are valued at their estimated net realizable value.
- c) By products are valued at net realizable value.

1.7. REVENUE RECOGNITION

- a) Sale of Goods is recognised at the time of transfer of substantial risk and rewards of ownership to the buyer for a consideration, net of discounts.
- b) Gross Turnover includes excise duty but excludes sales tax / GST.
- c) Dividend Income is recognised when the Company's right to receive dividend is established.
- d) Interest Income is recognised on time proportion basis taking into account the amount outstanding and rate applicable.
- e) All Other Income is accounted for on accrual basis.

1.8. EXPENSES

All expenses are accounted for on accrual basis.

1.9. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

- a) Provision is recognized in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered probable.
- b) A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the Balance Sheet date.
- c) Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.
- d) Reimbursement expected in respect of expenditure to settle a provision is recognized only when it is virtually certain that the re-imburement will be received.
- e) A Contingent Asset is not recognized in the accounts.

1.10. IMPAIRMENT OF ASSETS

Impairment loss, if any, is recognized to the extent, the carrying amount of assets exceed their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

Impairment Losses recognized in prior years are reversed when there is an indication that the impairment losses recognized no longer exist or have decreased. Such reversals are recognized as an increase in carrying amount of assets to the extent that it does not exceed the carrying amount that would have been determined (net of amortization or depreciation) had no impairment loss been recognized in previous years. After impairment, depreciation or amortization on assets is provided on the revised carrying amount of the respective asset over its remaining useful life.

1.11. FOREIGN CURRENCY TRANSACTION

Foreign currency transactions are accounted at the exchange rates prevailing on the date of transactions.

Foreign currency current assets and current liabilities outstanding at the balance sheet date are translated at the exchange rate prevailing on that date and the resultant gain or loss is recognized in the Profit & Loss account.

Any income or expenses on account of exchange difference either on settlement or on translation is recognized in the Profit and Loss Account except in case of long term liabilities, where they relate to acquisition or construction of fixed assets, in which case they are adjusted to the carrying cost of such assets in accordance with the exemption under Para D13AA of Ind AS 101.

1.12. BORROWING COSTS

Borrowing costs that are attributable to the acquisition or construction of a qualifying asset is capitalised as part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

1.13. INSURANCE CLAIM

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

1.14. EMPLOYEE BENEFITS

- a) Contribution to Provident Fund is accounted for on accrual basis. The Provident Fund contributions are made to a Trust administered by the Company. The interest rate payable to the members of the Trust is not lower than statutory rate of interest declared by the Central Government under the Employees Provident Funds and Miscellaneous Provisions Act, 1952 and shortfall, if any, is made good by the Company. Such shortfall on account of interest, if any, is recognized in the Profit and Loss account.
- b) Company's defined contributions made to Pension Fund of Government and Superannuation Scheme of Life Insurance Corporation of India are charged to the Profit and Loss account on accrual basis.
- c) Contribution to Gratuity Fund and provision for Leave Encashment is based on actuarial valuation carried out as on the Balance Sheet date as per Projected Unit Credit Method.

The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains or losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income.

1.15. TAXES ON INCOME:

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognized, subject to the consideration of prudence in respect of deferred tax assets, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, when there is a brought forward loss or unabsorbed depreciation under taxation laws, deferred tax assets are recognized only if there is virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realized.

1.16. EARNINGS PER SHARE:

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extra ordinary items, if any) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of any extra ordinary items, if any) by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares.

1.17 FINANCIAL LIABILITY:

Financial Liabilities are subsequently carried at amortized cost using the effective interest method, except for loans where the difference between IRR and normal rate of interest was immaterial.

Fair Value Hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

NOTES FORMING PART OF FINANCIAL STATEMENTS

The mutual funds are valued using the closing NAV and listed equity instruments are being valued at the closing prices on recognised stock exchange.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

18.6. The figures of the previous year have been reworked, regrouped, rearranged and reclassified wherever necessary. Accounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

18.7. Deferred Tax Asset is not recognised during the year because there is no probability that future taxable profit will be available against which, the temporary difference in tax can be utilised. Deferred Tax Assets are reviewed at each reporting date and are reduced to the extent that is no longer probable.

18.8. Provision for depreciation as per Companies Act 2013 as presented in Schedule II has been accounted for on the basis of the useful life of the asset.

18.9. Pursuant to the Taxation Laws (Amendment) Bill 2019, passed on November 25, 2019, the Company had exercised the option permitted u/s 115BAA of the Income Tax Act, 1961, to compute income tax at revised rate and accordingly, the Company has written off MAT credit available and the same is reflected under Tax Expense in the Statement of Profit and Loss.
